# McQUAY-NORRIS PISTON RINGS

Give Your Car More Power

Worn or leaky piston rings waste motor power and fuel. Gas that leaks past them is absolutely thrown away. It pays to replace them with McQuay-Norris Piston Rings — pays in more power, lower fuel bills, and less carbon trouble. Regardless of where you plan to have your car

repaired, you can secure a quicker job by ordering McQuay-Norris Piston Rings, because we can supply the proper sizes and over-sizes. Made for every purpose and price, McQuay-Norris Rings will pay for themselves in more motor power and lower fuel bills.

We Carry a Complete Service Stock  
WOODS & WHITE

**\$125** LEAK-PROOF — an exclusive two-piece design, preventing loss of gas and compression. Gives equal pressure at all points on cylinder walls. For all piston grooves except top, which should have Snap-Rings. Each ring packed in a parchment container.

**\$100** Superoil — Keeps lubricating oil out of combustion chamber. Collects excess oil on each down stroke of piston and empties on each up stroke, which ordinary grooved rings cannot do. Each ring packed in a parchment container.

**50c** JIFFY-GRIP — a one-piece ring. Non-biting joint, which can be fitted closer than ordinary step cut — velvet finish — quick seating. "Seals in a jiffy." To keep them close and free from rust, each ring is packed in an individual glassine envelope.

**Snap Rings** — of the highest grade. Raised above the average by McQuay-Norris manufacturing methods. Their use insures all the satisfaction possible for you to get from a plain snap ring. They are packed twelve rings to the carton and rolled in waxed paper.
